

## About us

## Offices

Plummer Parsons is a Sussex firm, founded in 1900 and now comprising a 70 strong team of accountants, business advisers and tax professionals.

We operate from offices in Easbourne, Hailsham and Brighton and benefit from links with an associated but independent financial services company.

We offer a broad range of specialist expertise to cover the full scope of client requirements including:

- All aspects of accounts and audit
- Tax planning and compliance (personal and corporate)
- VAT support and advice
- Business start ups
- Ongoing strategy and planning
- Executor and trustee services
- Dedicated private client work
- Payroll bureau and associated employment services
- Wealth planning and asset protection
- Accounting systems and software advice
- Company formation and statutory compliance
- Specific project work

Is it all becoming too much  
for you to cope with?

## You and your finances

## How can we help you?

## Our clients

Sometimes it can become difficult and time-consuming to keep on top of everything and you may worry about not being able to cope.

Am I receiving the income I should?

Is my tax correct?

Am I entitled to Attendance Allowance or other benefits?

Will you show me how to check my bank account?

What about my investments?

Do you know a good independent financial adviser?

Will you help me sort out my bills and paperwork?

What must I keep and what may I throw away?

Here at Plummer Parsons we are ready to help. We can arrange a meeting at any of our offices or we will happily visit you at home if you prefer. Contact us now if you are interested.

### HOME VISITS - WEEKLY, MONTHLY OR QUARTERLY TO GIVE YOU PEACE OF MIND

### COST EFFECTIVE FEES AT AN AGREED LEVEL TO SUIT YOU

A diverse range of people and organisations are already clients of Plummer Parsons:

- Directors and employees
- Retired individuals
- Sole traders
- Partnerships
- Family Trusts
- Charities and other not for profit organisations
- Companies of all sizes
- Schools and Colleges

Clients benefit from a first class service at reasonable rates, delivered by our talented, friendly and highly qualified team with technical skills you can trust.

All of our staff have direct access to state of the art IT systems and we always ensure that clients are looked after by somebody with relevant expertise and experience.

As far as possible we hope to provide continuity of service and clients will stay with the same person or team on an ongoing basis. We will arrange introductions to other team members if different expertise is required from time to time.

Our approach is skilled, professional and cost effective.
