How can we help you?

Our aim is to assist property management agencies, chartered surveyors and property owners to meet their service charge obligations and obtain certification, by providing a flexible, value for money service.

We also try to work with the managing agents and property managers, making them more efficient and the whole process cheaper.

We are totally flexible in putting together a package to suit you and all fees can be quoted in writing in advance.

We understand the importance of dealing with matters on a timely basis and providing comprehensive reports for all concerned.
